**SUBJECT: SERVICES OF DALGIDJ CO.**

BOS SHEL F LLC has been utilizing indispensable expertise and service of DALGIDJ Co. for a number of occasions related to diving operations during off-shore piling and other relevant work.

Throughout the entire period of work DALGIDJ Co. has shown significant skills and expertise in their sphere of operations. The company has been highly instrumental and was operating in sometimes suboptimal conditions on a very short notice when operational necessity required so.

Reports, provided by DALGIDJ Co. further to each and every diving operation are highly substantiated and are of high value for our company. This and all above created for the DALGIDJ Co. a reputation of highly efficient and valuable contractor.

We wholeheartedly recommend all companies who have ongoing or future requirement in diving operations to engage the services of Dalgidj Co.

Best regards
